<input type="checkbox"/> RSC 940 DBA Project I		
<input type="checkbox"/> RSC 945 DBA Project II		
<input type="checkbox"/> RSC 950 DBA Project III		

- ✓ **REQUIREMENT 2: Maintain CGPA of a 3.0** – At the end of each term, students should calculate their CGPA to ensure it is above a 3.0. Students can log into **my IAU** and see their academic history which will reflect the most current CGPA. Students who are having a difficult time maintain 3.0 should speak to their Academic Advisor to ensure they are on the right track towards graduation by emailing [Academics@iau.LA](mailto:Academics@iau.LA)

- ✓ **REQUIREMENT 3: Maintain a balance of \$0.00** – At the end of each term, students should log into **my IAU** and also take a look at their financial balance. If there is a balance of more than \$0.00, students should pay off the balance before the beginning of the next session. Students who are having a difficult time with finances should speak to their Financial Advisor to ensure they are on the right track towards graduation by emailing [Finance@iau.LA](mailto:Finance@iau.LA)
- ✓ **REQUIREMENT 4: Apply for Graduation** – When a student has 4 or less courses left to complete, it is a sign that they are close to graduation! Students must email [Academics@iau.LA](mailto:Academics@iau.LA) and schedule a Graduation Petition Appointment. During this meeting, your Academic Advisor and the University Registrar will evaluate if you are eligible to graduate! If you are eligible to graduate, the University Registrar will send you a Notice of Graduation Eligibility which will allow you to apply for OPT.
- ✓ **REQUIREMENT 5: Maintain CGPA and Balance** – When a student has finished all the courses required to complete the program, they must still have a CGPA above a 3.0. Students who drop below a 3.0 after they receive the Notice of Graduation Eligibility will not be able to graduate. Students in this situation must speak to their Academic Advisor to gain more insight on how to raise their CGPA. Students who maintain a 3.0 after completion of all courses may then graduate and receive a degree from the University Registrar.
