

Doctor of Business Administration (DBA)

- **Pre-Education:** IAU requires evidence of an earned bachelor degree in business, management, or related major. Other majors may be acceptable and shall be reviewed on a case-by-case basis. Further, the applicant must possess an earned master's degree in business administration, management, or related field with at least 30 graduate level semester credits. Applicants with a master's degree, but not in business administration, management, or related field, must take prerequisite courses. All degrees must be earned at an accredited institution, or foreign equivalent.
- **Professional Experience:** IAU recommends 5 years of full-time professional work experience.
- **Information technology.** Possess computer and internet skills sufficient to effectively participate in IAU's pedagogical model and conduct research at the graduate level.
- **Maximum Credit Awarded:**
 Transfer Credit (TRC): 9 units
 Standardized Exam Credit (SEC): 0 units
 Challenge Exam Credit (CEC): 0 units
