RE: Accreditation, Category IV for International American University

Dear President Doan:

At its meeting on October 26, 2020, the TRACS Accreditation Commission voted to grant International American University (IAU) Accreditation status as a Category IV institution approved to offer the following degree programs:

- Associate of Science in Business Administration (60 credit hours)
- Bachelor of Business Administration (120 credit hours)
- Master of Business Administration (36 credit hours)
- Doctor of Business Administration (54 credit hours)

IAU is approved to offer its courses and programs via Distance Education.

After the staff review of your Fall 2020 Institutional Response Matrix, it is noted that IAU has satisfied both of the Recommendations, and 2 of the 4 Suggestions given by the Evaluation Team, leaving 2 Suggestions "In Process". IAU is required to submit a Progress Report addressing the "In Process" Suggestions by February 15, 2021. IAU is required to satisfactorily address the "In Process" Suggestions by August 15, 2021.

When submitting your Progress Report Matrix and supporting documentation, please send one printed copy and one electronic copy (on a CD or flash drive) of all materials. Be sure the electronic copy of the Matrix is submitted in MS Word format. Progress Reports must be submitted in the requested format as TRACS will not accept Progress Reports by e-mail. The Progress Report Matrix will be provided to you in MS Word format as an e-mail attachment within the next few weeks.

Initial accreditation is for a period of five years (2020-2025). For Reaffirmation I, IAU must complete a successful Self-Study, host an Evaluation Team Visit, respond to the team's Findings, Recommendations, and Suggestions, and appear before the Accreditation Commission by Fall of 2025.

When your status is printed in institutional publications, or posted on your website, it must be stated accurately and fully in the following manner:

International American University is a member of the Transnational Association of Christian Colleges and Schools (TRACS) [15935 Forest Road, Forest, VA 24551; Telephone: (434) 525-9539; e-mail: info@tracs.org], having been awarded Accredited Status as a Category IV institution by the TRACS Accreditation Commission on October 26, 2020. This status is effective for a period of five years. TRACS is recognized by the United States Department of Education (ED), the Council for Higher Education Accreditation (CHEA), and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE).

The Accredited Status is retroactive to the first day of the 2020 Fall Term or Semester for your institution. This is in accordance with TRACS Board Policy BP305.

I congratulate IAU, its administration, faculty, and staff on its efforts and for its dedication and commitment to quality Christian higher education. Dr. Tanmay Pramanik, your staff representative, will be honored to continue to work with your institution as you move forward.

Should you have any questions, please feel free to call the TRACS office.

Sincerely,

Timothy W. Eaton, Ph.D.
President
