RE: Application for Approval to Operate for an Institution Not Accredited
Approval Granted – School Code 41500926

Dear Mr. Doan:

The Bureau for Private Postsecondary Education (Bureau) completed the review of your Application for Approval to Operate for an Institution Not Accredited. The review included supplemental documentation (enrollment agreement and institution catalog). The Bureau determined that your request complies with the minimum standards contained in the California Education Code and the California Code of Regulations.

Approval to operate is granted effective December 15, 2011 with an expiration date of December 14, 2016.

Enclosed for your record is the Approved Educational Program List for your institution. Please post this approval information in a prominent location so prospective students and other interested parties are aware of your approval to operate.

Your institution is required to maintain compliance with the Education Code and regulations of the Bureau. The institution is subject to review by the Bureau staff at any time for the purpose of monitoring compliance with the provisions of the California Private Postsecondary Education Act of 2009. Any failure to maintain compliance could affect your institution's approval status and could result in disciplinary action by the Bureau.

If you require additional assistance on this matter, please contact Erica Smith at (916) 431-6921 or erica.smith@dca.ca.gov.

Sincerely,

LEEZA RIFREDI, Manager
